FINANCIAL AGREEMENT FOR ALPINE SURGICAL, LLC

Thank you for choosing Alpine Surgical as your healthcare provider. We are honored by your choice and are committed to providing you with the highest quality of healthcare. We ask that you read and sign this form to acknowledge your agreement and understanding of our financial responsibility policy.

I agree that in return for the services provided to me or the patient (if a different person – hereafter the word patient applies to both of us) by Alpine Surgical or providers affiliated with Alpine Surgical, I will pay the account of the patient and/or make financial arrangements satisfactory to Alpine Surgical. Unless the patients' bill is paid by applicable insurance, government programs or other sources, I agree to pay Alpine Surgical's usual and customary charges. I understand and agree that a delinquent account will be subject to interest at the legal rate.

Estimated charges may be given at or before the time of service, but I understand that this is merely an estimate, based upon information that is available at the time and that the actual amount that the patient will be charged for medical services rendered may be different from the estimate of charges for a variety of reasons, including but not limited to, additional procedures, tests or supplies that were not covered in the estimate.

I understand and agree that my insurance and/or the patients' insurance, if any, will be billed for medical services rendered to the patient, and payment from the insurer will be sought by Alpine Surgical before I am required to make payment (with the exception of applicable copayments, deductibles and coinsurances, which I must pay). I understand and agree that I am responsible for and I will pay for medical services rendered to the patient in the event that our insurance does not authorize these services or does not pay for all or any of these services.

If the patient or I am entitled to benefits of any type whatsoever, under any policy of health or liability insurance, or from any other party liable to the patient, that benefit is hereby assigned to Alpine Surgical and/or to the providers rendering services, for application toward the patient's bill. I authorize the release of any medical information necessary to process claims and direct payment of benefits from my insurance company. It is understood and agreed, however, that the patient and I are primarily responsible for payment of the patient's bill and that we are obligated to pay and agree to pay for any portion of the bill that is not paid for by insurance or other sources.

I agree that in the event that I need to cancel or reschedule an office appointment, I will provide a 24 hour notice. If unable to provide a 24 hour notice, I will be charged a $100 no show fee.

I agree that in the event that I need to cancel a surgical or vascular procedure, I will provide a 72 hour notice. If unable to provide a 72 hour notice, I will be charged a $300 no show fee.

I agree that I am responsible for all costs and expenses associated with or incurred in connection with our enforcement of the Financial Agreement Policy Form, including, but not limited to, charges for returned checks, collection agency fees, court filing fees and attorney's fees.

I have been offered a copy, read, understand and agree to the provisions of this Financial Agreement Policy Form and agree to pay Alpine Surgical promptly all amounts for which I am responsible under this form.
